

COASTAL ACTION PLANS

THEME 10 Capacity Building, Training and Education for ICZM in Europe

- Title: Capacity Building as an essential element of ICZM
- Why: Lack of capacity is preventing the implementation of ICZM
- What: Build political support to provide commitment and funding for Capacity Building within ICZM
- How: Request that the EU include Capacity Building in ICZM strategies/programmes/plans

COASTAL ACTION PLANS

THEME 10 Capacity Building, Training and Education for ICZM in Europe

- Title: Implementation of the Action Plan
- Why: Lack of resources and coordination for development for Capacity Building efforts in ICZM
- What: Establishment of Capacity Building Resource Centers (BRICS)
- How: Recommend that EU support/fund this initiative and the proposed guidelines for the BRICS
