

# Annual VLIZ Professional Bachelor Thesis Award Marine Sciences 2020

## REGULATIONS

*The Annual VLIZ Professional Bachelor Thesis Award aims at recognizing and rewarding the work of meritorious young marine researchers. This way, VLIZ hopes to encourage them to continue to provide high-quality scientific contributions in the future, and to promote marine scientific research in Flanders.*

Art. 3 A jury installed by the Governing Board of VLIZ - upon proposal of the Scientific Committee - will evaluate the contributions submitted. The jury reserves the right to contact the thesis promotor(s) to obtain more information on the submitted thesis.
