

How to recover my password.

Surf to <http://example.org/user/password> or click on the request new password tab.

Enter your email account and click the “E-mail...” button.

User account

Username or e-mail address *

You should see the “Further instructions have been sent to your e-mail address” message appear.

User account

Further instructions have been sent to your e-mail address.

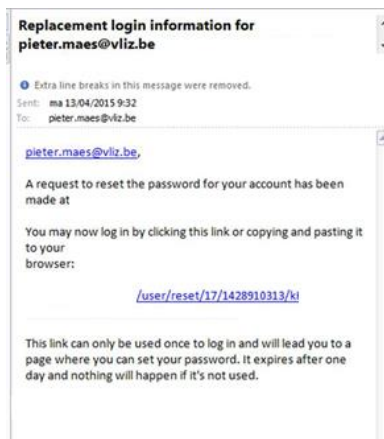

Username *

Enter your EMBRC username.

Password *

Enter the password that accompanies your username.

If you get any other message and do not get the automated e-mail (as seen below) please email us@vliz.be.

Click the one time login link that you received in your e-mail inbox. This will open a webpage giving you access to the site.

Reset password

This is a one-time login for *pieter.maes@vliz.be* and will expire on *Tue, 2016-05-03 14:08*.

Click on this button to log in to the site and change your password.

This login can be used only once.

Log in

You are now logged in, before doing anything else please fill in the password fields and click save at the bottom of the page.

pieter.maes@vliz.be

 You have just used your one-time login link. It is no longer necessary to use this link to log in. Please change your password.

E-mail address *

pieter.maes@vliz.be

A valid e-mail address. All e-mails from the system will be sent to this address. The e-mail address is not made public and will only be used if you wish to receive certain news or notifications by e-mail.

Password

Password strength: _____

Confirm password

To change the current user password, enter the new password in both fields.

On this page you can also see your username which you will need to login in the future.

In my case this is the same as my email, if this anything else please make a note of it.

pieter.maes@vliz.be
