

Why marine science?

Heymans Sheila

European Marine Board, InnovOcean site, Wandelaarkaai 7, 8400 Oostende, Belgium

E-mail: sheymans@marineboard.eu

In this talk I will give an overview of my marine science career. Where I came from, what I have done, and why I made the choices I did. I will use this overview to give students some tips for how to be a successful marine scientists based on my experience.
