A Corrigendum on

Phloroglucinol-Mediated Hsp70 Production in Crustaceans: Protection against *Vibrio parahaemolyticus* in *Artemia franciscana* and *Macrobrachium rosenbergii* by Kumar, V., Baruah, K., Nguyen, D. V., Smagghe, G., Vossen, E., and Bossier, P. (2018). *Front. Immunol.* 9:1091. doi: 10.3389/fimmu.2018.01091

In the original article, there was a mistake in **Figure 1A** as published. We have recently discovered that incorrect brine shrimp survival data at different phloroglucinol doses were presented in the published paper. The corrected **Figure 1A** appears below.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
