

FIRST WORKSHOP ON THE SYSTEMATICS OF MARINE FREE-LIVING NEMATODES

Gent, 13-16 August 1977

by

A. COOMANS, L. DE CONINCK and C. HEIP

ACKNOWLEDGMENTS

The organization of the workshop and the publication of the proceedings was made possible through support from the Ministry of Public Education and Dutch Culture, the Belgian National Science Foundation NFWO, the Belgian Centre for Oceanography and the Royal Belgian Zoological Society. We also want to express our gratitude towards the State University of Gent and the Town of Gent for their hospitality and the interest shown by several authorities : Professor A. Devreker, Rector of the University, Professor R. Mertens, dean of the faculty of Science and Dr. jur. J. Monsard, Alderman of the Town.

The organizing committee of the workshop consisted of L. De Coninck, A. Coomans, W. Decler, A. Distèche, G. Haspeslagh, G. Persoone, P. Polk, D. Roggen, N. Smol and C. Heip (Secretary). The international steering committee consisted of G. Boucher (Roscoff), S. Gerlach (Bremerhaven), W. D. Hope (Washington), J. Ott (Vienna), F. Riemann (Bremerhaven), J. Tietjen (New York), R. Warwick (Plymouth) and W. Wieser (Innsbruck). To all of them we express our profound gratitude.
