## Corrigendum: Narrowing the spread in CMIP5 model projections of air-sea CO<sub>2</sub> fluxes

Lei Wang, Jianbin Huang, Yong Luo & Zongci Zhao

*Scientific Reports* 6:37548; doi: 10.1038/srep37548; published online 28 November 2016; updated on 10 April 2017

The Acknowledgements section in this Article is incomplete.

“We acknowledge the World Climate Research Programme’s Working Group on Coupled Modeling, which is responsible for CMIP. We thank the climate groups (listed in Table 1) for providing the model output. We would also like to thank the anonymous reviewer for the comments and suggestions that greatly improved the original manuscript. Our work was completed on the “Explorer 100” cluster system at Tsinghua National Laboratory for Information Science and Technology.
